Dear Ms. Hough,

The Dold for Congress Committee has filed amended reports to correct the 5 items listed in your request for additional information dated August 2, 2010.

You note discrepancies between several figures on the summary and detailed information pages, as well as Schedule D debt reports between the Committee's April Quarterly filing and its July Quarterly filing.

In the process of resolving these issues, the Committee became aware of certain other discrepancies between bank account records and FEC reports, which have also been corrected in these amended filings.

Thank you for bringing these discrepancies to the Committee's attention.

Sincerely,
Jeffrey George Bennett
Treasurer
